Request for a Speaker

The Teachers Center Speakers' Bureau was formed so that when PTA's or Community Groups want a speaker on a particular subject we would have a file of teachers from which to draw.

Our honorarium is \$75.00 an hour for an afternoon presentation (after school hours) and \$100 an hour for an evening presentation. If there are two or more speakers, the fee would be divided.

If you are interested in using one of our speakers from the list you must first send a request to the Teacher Center stating who, when, where, etc.

Please fill out the bottom and return it to the Teacher Center at Saw Mill.
